

Consignment Guide

Thank you for considering Odds & Ins for your consignment needs! To provide the best atmosphere to sell your merchandise, we've established the following guidelines to assist you:

You receive 50% of the selling price. View your account on line at www.myresaleweb.com.

We want to get the best possible price for your items. Sometimes there will be items we cannot sell. We base our selection guidelines on our customers' preferences. Our pricing is based on supply and demand. We offer our customers a scheduled markdown, and the consignment period is 90 days.

We accept furniture in good condition and style. Upholstered items with spots, stains, tears, or odors are unacceptable. Wood items with the potential for refinishing may be accepted. Please email pictures to oddsnins1@gmail.com, so we can determine if your piece is something we have room for or that we can sell.

Household items & home décor (rugs, lamps, art, holiday décor, etc.) must be in good working order with little wear, very clean, dry, free of odors, chips, cracks, stains, tears, pet hair and pilling or they will be declined. All lighting fixtures/lamps must have working bulbs. All clocks need to come in with working batteries. Dinnerware, flatware, and glassware need to be in even place settings 2, 4, 6, 8. Silk florals must be free of dust and in season. Table linens **must be** laundered, folded, labeled for size, and in a clear ziplock bag ready for sale. Wall décor must be in good condition and not in a dated style.
